

ART GALLERY OF NSW EXPANSION – SYDNEY MODERN

PROJECT

Art Gallery of NSW expansion –
Sydney Modern

CLIENT

Infrastructure NSW

PROJECT ROLE

Independent Auditor

PROJECT DURATION

Construction from 2019 to 2021

PROJECT VALUE

\$275 million

The expansion of the Art Gallery of NSW – the Sydney Modern Project – will enable the display of more of the State's art collection and the hosting of more major exhibitions from around the world. The new building will be linked by an outdoor art garden to the existing and much-loved historical building.

WolfPeak, as the Independent Auditors approved by the Department of Planning Industry and Environment, reviews Project works to verify compliance with the Project Approval and assesses the effectiveness of environmental management and mitigation works.
