

WESTCONNEX

PROJECT

WestConnex Stage 3B – Rozelle Interchange and Iron Cove Link

CLIENT

CPB Contractors

PROJECT ROLE

Environmental Support

PROJECT DURATION

Mid 2019 to mid 2023

PROJECT VALUE

\$3.9 billion

The Rozelle Interchange and Iron Cove Link is the part of the M4-M5 Link and will provide a new underground motorway interchange to City West Link and provide an underground bypass of Victoria Road between Iron Cove Bridge and Anzac Bridge, with links to the future Western Harbour Tunnel.

The interchange in Rozelle will be mostly underground and located at the site of the old Rozelle Rail Yards. By building the interchange mostly underground, the project will deliver new active transport options in Rozelle and up to 10 hectares of new open space..

WolfPeak, provides in-house environmental support to help prepare the Project environmental management plans required to manage environmental risks and compliance.
